

TITAN TRADITION

I am a yearbook,  
I make no pretense of great literary worth,  
Oft times I am belittled,  
And I will be the butt of later-life jokes,  
Because some things written on my pages  
Will seem childish  
When read again with wiser, older eyes.  
But at this moment, they are a part of a life we know and love.  
The unskilled phrases of youth may mar my pages,  
But I know my strength;  
I know my place;  
I will be succeeded time and again  
But I can never be replaced  
Because in my leather-clad arms  
I hold all the memories of this small time.  
My task is to treasure that you may remember.  
Some day ... when space ships whirl  
Across the changed face of the world  
I will be taken down from the shelf.  
The dust will be blown from my covers  
And the curious eyes of eager childhood  
Will scan my yellowed pages  
For a beloved face.  
Nothing born of love really dies,  
And I was created with infinite care  
By young people who love Ainlay  
And all she stands for,  
Who believed all that happened here  
Is worth remembering  
Is worth recording  
On the pages that follow .....

TITAN TRADITION

# *In Memorium*

This edition of Titan Tradition is dedicated to the memory of Mr. Steve W. Radomsky, teacher and former department head of Science.

Mr. Radomsky was an inspiration to those he worked with and to the students he taught.

#### PRINCIPAL'S MESSAGE

Good education today is looked on as a moving activating force involving the participants in a positive dynamic experience. In this context it gives me real pleasure to recommend this yearbook as it illustrates the reality of education 1975 in this the eighth year of Ainlay's existence. More than 1900 students and a staff of over 100 crowded hallways and classrooms, taxed facilities and took part in activities in unprecedented numbers.

The introduction of the 40 credit school year saw a rapid expansion in our business, vocational, and fine arts programs with no lessening of our core academic offerings. An expanded physical education department took competitors into all activities sponsored by the Edmonton Public School Board and the school was represented in the playoffs in 19 of the twenty-two teams. Our "all girls" Students' Union (appropriately all girls in this Canadian National Women's Year'.) ably organized and followed through a host of varying programs including the largest ski group and the largest ISCF Club in Edmonton. Our Grad class committee out did themselves with the most elaborate set of Grad Ceremonies and celebrations in Ainlay's history.

A very special thanks must go to the hardworking yearbook staff and their sponsors for putting together this educational story of active positive participation by a host of students and staff. The school is pleased with your efforts in faithfully recording the many facets of education at Harry Ainlay for the year 1974-75.

## PRESIDENT'S MESSAGE

Looking back over this past year, I realize how rewarding and how worthwhile my time spent as President has been. Because I decided that I'd like to get myself involved in the school's activities, I got a lot out of my high school years. I think that this concept could be applied to everyday living -- if you just sit back and let life flow by on its own accord, you will get no enjoyment out of living; whereas, if you are active, reaching out, and are always striving to expand or perfect yourself, life can be full of fun and provide you with a sense of accomplishment.

I've really enjoyed being your President this year and the opportunities that it's given me to work with the rest of the executive, the students, and the teachers of our school. We, the executive, have learned a lot about leadership and about human relations by working together to plan the various activities we've had this year. It's been especially rewarding when the students and staff have had a good time participating in, or watching the activities.

Many people are of the opinion that all high schools are apathetic, but I know that Ainlay is contrary to this belief. As proof, we can look back to our Christmas party where we asked rooms to decorate their doors and to stuff huge stockings full of food for needy people. The response was unbelievable -- almost every classroom door was decorated and we collected hundreds of dollars worth of food.

We've had good turn outs at most of our activities, we've got more school teams than any other high school in the city, we've got numerous clubs, and we have a bunch of active kids who are willing to put a lot of time and effort into such things as raising money for a Universal Gym for our school or planning our first Sports Banquet -- all this certainly does not indicate apathy!

I'd like to thank you for giving me the chance to be your president -- I truly had a great year and I hope that you did, too. This may sound corny, but I'm really proud to say that I'm from Ainlay.

Whether you're leaving Ainlay, or still have high school years ahead of you, I sincerely wish each of you the best of luck and happiness in the future. Your future is yours alone, to make of it what you want.

## MAY EACH OF YOU HAVE

Enough happiness to keep you sweet,  
Enough trials to keep you strong,  
Enough sorrow to keep you human,  
Enough hope to keep you happy;  
Enough failure to keep you humble,  
Enough success to keep you eager,  
Enough friends to give you comfort,  
Enough wealth to meet your needs:  
Enough enthusiasm to look forward,  
Enough faith to banish depression,  
Enough determination to make

Each day better than yesterday.

Good Luck,

#### SENIOR FOOTBALL

The 1974 Senior Titans started the season off on the wrong foot, losing their first three games. Then, despite, or perhaps because of, mid-season injuries and personnel changes (including quarterback) the squad went on to win their next four and finish with a winning season. This advanced Ainlay to the city semi-finals, quite a feat for a team that was said to be mathematically eliminated from playoff competition. Although we didn't win it all this year, our Senior football team achieved respectability in the tough "A" division.

For all those associated with the team, players, coaches, and managers, it was a successful and satisfying season.

The Titan dominance of Junior Football continued this year as we won the South Division with seven victories and zero defeats. Our offense scored 156 points, while our defense allowed only 14 points.

In a hard fought semi-final game against St. Francis Xavier, we were able to score in overtime for a 14 - 8 victory.

The city final at Clarke Stadium was the scene of our only loss to Jasper Place, 27 - 8.

Congratulations to the team members on a most successful season. Randy Stollery was the Most Valuable Player, Scott Smith was the Most Determined Player, and Ron Licht was the Head Hunter of the Year. Captains were R. Stollery, R. Nielson, R. Licht, and M. Sullivan.

#### Junior Boys Volleyball Team

This year's edition of Ainlay's junior boys volleyball team enjoyed an exciting season, finishing in fourth place. The team defeated both the first and the second place finishers in league play, but fell short in the play-offs. With the experience gained from the past season, it is hoped that Ainlay will again be a threat in the Junior Boys volleyball League. Good luck to all those involved in this year's team. Thank you for your concern and effort.

#### Senior Girls Volleyball Team

There could never be enough said about the unique experience we all gained through working together as Ainlay's Senior Girls Volleyball team. Never have a group of girls such as these, contained so much devotion for their fellow members at the same time as containing such a high level of skill in their play. Each girl was an asset and contributed a part of herself to the team that no one else could. Our team "oneness" proved a strong factor in the overpowering of our opponents, as we entered into the city quarter finals. Unfortunately, we were beaten out (in the game but not in spirit!)

Next year, for those of us who will not be back to seek our status as "weeps", can only look back on this time with many sunny memories, and wish that everyone had a chance to be a part of such a wonderful and warm team. All of these great times could not have been possible without "our" wonderful leader Mrs. Farr-out. She gave more to us than we could ever say and we grew to love and admire her as no other. Thank you, Mrs. Farr ..... for everything!

The Junior Girls had a strong start and great potential; however, they were a little short on consistency, and didn't make the playoffs. The team nevertheless played some fantastic games and everyone had a good experience. Better consistency next year!

#### Senior Boys Basketball Team

The Titans started slowly but by league time were playing excellent basketball. They won all their south Division games and finished the season in the city final with a 15 win 1 loss record.

The players were disappointed with their play-off performance, but had an enjoyable and successful season.

#### Junior Boys Basketball Team

The Junior Boys basketball team had a very successful season. From a team that started its season by losing its first exhibition game, they improved steadily and went on to win their league championship and then the city championship.

The team was led by two returning players, Scott Bateman and Brian Newman, who were the captains. Transfers from southern schools in Alberta gave the team their tip rebounder and most valuable player in Darrel Dueck, and an inspirational guard in Gary Watt. The team was rounded out with seven rookie players from surrounding feeder junior high schools.

The exhibition season of 13 games was successful and a learning experience as all players saw regular action, and the team won 11 of their contests. In regular season play, the team won 8 out of 9 games and finished tied for the league title with Bonnie Doon.

In the play-offs, the team met Bonnie Doon in the finals and defeated them 43 - 38 to win the Ed Tomich Trophy. The team was lead through the playoffs by the strong play of Darrell Dueck.

The city title was the first for a boys basketball team since the opening of Harry Ainlay. The team has many good players which will provide a good nucleus for future basketball teams.

### Senior Girls Basketball Team

This year's team proved to be one of the best Ainlay has had in the last few years. Our team showed great potential at the beginning of the season, and through hard work and team devotion, represented our school prodly in the league play. Although our team didn't succeed in making the play-offs, the experience we gained proved valuable to all of us. We strove together in attaining a goal which at first seemed far away, but which we proved within our reach. We'd like to thank our coach, Miss Silk, who lead us through thick and thin, and always showed us she cared and that she had faith in us. It was a great year for all of us!

## Wrestling Titans 74 - 75

This year saw the rebirth of wrestling at Harry Ainlay. The season started in November with flexibility and weight training and concluded with the Provincial finals in Calgary. Through the four months, 46 boys participated in the program that saw the team compete in six dual meets and two tournaments.

The team hosted the First Annual Feeder School Tournament and also host a team from Vancouver.

Overall, the Titans placed second in the city and had nine weight class champions. The outstanding wrestler was Scott Tate (105 pounds): city and provincial champion.

On behalf of Coach Gallop and myself, Coach Thresher, I would like to congratulate the team on their fine effort throughout the season, and wish them all success in future sport.

The Titan Swim Team, in its second year of competition, lead a very successful season. Harry Ainlay placed third in the combined standings, with the boys winning the T. D. Baker Trophy as City High School Champions of 1975.

Subdivisional City Champions were:

Alan Fenna - 50 Metre Freestyle  
 Gary Thomson - 100 Metre Freestyle  
 Les Campbell - 50 Metre Breaststroke  
 Carol Anderson, Dana Beatty, Shelley Learoyd, Cathy Lund - 200 Metre Freestyle Relay

Other outstanding performers in the high school city championships were:

Alan Fenna - 100 Metre Freestyle Novice Division First  
 Ian Freemantle - 100 Metre Breaststroke B Division First  
 Ed Steinbring - 100 Metre Freestyle C Division First

Carol Anderson  
 Dana Beatty  
 Leslie Campbell  
 Linda Conlon  
 Diana Flato - cpt.  
 Becky Horner  
 Shelley Learoyd  
 Cathy Lund  
 Judy McCann

However, it was the fact that each member of the team qualified to compete in the championship meet, that contributed greatly to the team's success, which made 1974-75 such a great year for swimming at Ainlay.

#### Junior Soccer team

The Junior Titans broke more than one school record this year. They reached the city semi-finals which is a first and they scored more goals than any former team. Their league record of six wins, two ties, and two losses was also best yet. One player, Craig Trask, scored more goals than any other player in the league.

The Senior B team, despite a rash of injuries and illness, had a reasonably successful year. Most of the players are in Grade 11 and will therefore be back next year. Ainlay should have a strong senior team next year with many of members of the Senior B team forming a significant part of that team.

Soccer flourished this past year at Ainlay. Schools generally enter two teams in inter school competition -- Ainlay entered 3 teams for the third consecutive year. The soccer season started very slowly for the Senior A team in that the team was almost brand new. With twelve players graduating from last year's senior team, many newcomers were playing on the roster. In fact, we created an international flavour--Doug Trask, our goalie, arrived from Holland, Marty P Price, a fullback of considerable merit, came from England, and Jit Hiang, our talented center forward registered at our school from Singapore. For Harry Ainlay to be able to compete well and vie for the league championship, our team members must increase their experience in good soccer competition. I am pleased to say that with the conclusion of the high school league, about 75% of our boys, are playing Juvenile or Midget soccer in the Edmonton Minor Soccer Association. I look forward to next year with keen anticipation, and to you all who gave so much for Harry Ainlay this past year, I say, "A job well done--you should be proud of your efforts."

At the beginning of the year, a weight machine fund raising committee was set up and it turned out to be a big success! All the necessary money for a Universal Gymnasium was raised by the activities planned by this core of people. The HAB (Harry Ainlay Barbecue), the game between our Titans and the Harlem Nationals, a few concessions at the games, and a hockey game between Ainlay and Louis St. Laurent all helped raise money for this great piece of equipment. But \$3000 was still needed. So, though met with much hesitation and speculation, they decided to take on a big campaign of selling 9,600 chocolate bars. With a blitz night involving over 100 students, and selling chocolate bars at noons, they sold all of them within five weeks. The weight machine arrived at the school June 12 and from then on, has been available, and will be available, to every Ainlayite for years to come.

### Debating and Public Speaking

More than 30 Ainlay students participated in more than 20 events this year. Ainlay's outstanding debating team was Robert Holmes and Deb Clifton. They placed highly in all tournaments, and won the Northern Alberta TV Debating championship. Besides putting Ainlay in the forefront in debating, this win entitled them to a research scholarship in Ottawa, courtesy of the 3 major parties. In the Churchill debating and public speaking contest, Al Fenna won the bronze in public speaking, and Albert Frank won the gold in extemporaneous speaking. Albert was also Ainlay's choice for the IOOF Pilgrimage for Youth public speaking contest. Other highlights include Don Jacquest's gold at the French public speaking contest, Bill Graham's and Al Fenna's silver at Ross Shep, Cam Smith's and Al McKechnie's silver at Queen E., and Michelle Smith's and Lorna Mallett's silver at Ainlay's Impromptu Tournament. 1975 continued the Ainlay tradition of unexcelled quality in debating and public speaking.

### Harry Ainlay Ski Club

The 74/75 season was a time to remember, complaints were few (and quickly hushed up). The membership could take pride in that, although Andre Moore handled vast sums of money, only a few hundred were misplaced or unaccounted for. Ron Henke and Roxy McCole, working in publicity, were very successful in the application of their motto-Be sincere whether you mean it or not. Not mentioning any names, Greg Olsen was fairly nice secretary, livening up dull meetings with his gay jokes. Our thanks go to the sponsors and chaperones, without whom, we students would have been out carousing and drinking and having a good time. The sponsors were Mr. Vague, Mr. "Telly" Klapstein, Mr. Sterling, Mrs. Dmytryshyn, and Mr. Pruden. The chaperones policy of only hitting students in self defense was put to good use and saved many lives. The executive/sponsor beer bash at the end of the season at Mr. Vague's place (Sorry about your priceless Ming vase) was a great success. And did Mr. Klapstein ever find his...? For next year's executive, these words of wisdom:

Junior Stage Band: This group was open to students in Gr. X who wished to play stage band music. Rhythm and bass guitar were added to the usual piano, drums, trumpets, trombones, and saxes. The band was a good training ensemble for the students, all of whom eventually graduated to the senior group. Senior Stage Band: Although the band had a full instrumentation in the trumpet and sax sections, plus piano, drums, and bass guitar, it was hampered at first by the lack of trombones. In the second semester this was remedied, and the senior band was able to achieve a fairly high standard of musicianship. Handbell Choir: A new and exciting tradition was begun by 10 students and a set of 25 handbells when they made their debut at the Oct. "Evening of Music". As Christmas approached, the Choir was deluged with invitations, and were able to fulfill most of them, visiting churches, senior citizens' homes, and community centres. They performed on a special Christmas telecast over CITV on Christmas Day. With the addition of a 3rd octave of bells in January, the membership was increased to 13, and the repertoire expanded considerably. They competed in the Kiwanis Festival, achieving excellent marks and a 1st place standing. Concert Band: This after school activity gave opportunity to any students who played band instruments to participate in a concert band, even if they were not enrolled in a regular music course for credit. The membership rose to 45 during 2nd semester, and they played at the Graduation Ceremony, gave concerts in several junior high schools, as well as taking a two day trip to Saskatoon.

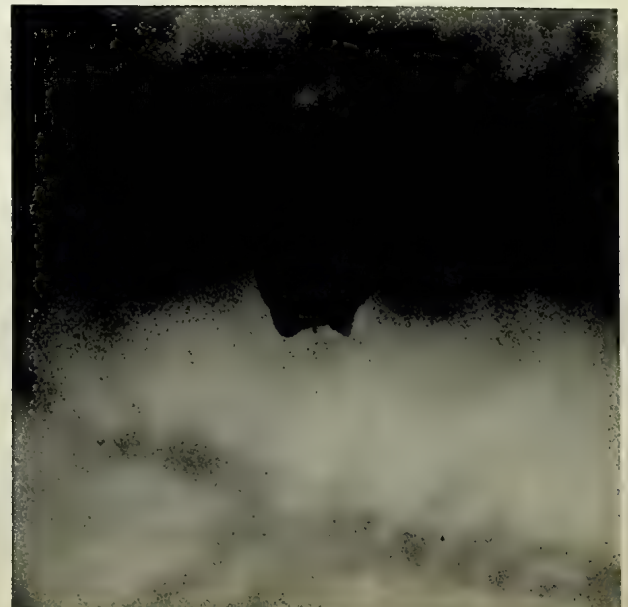

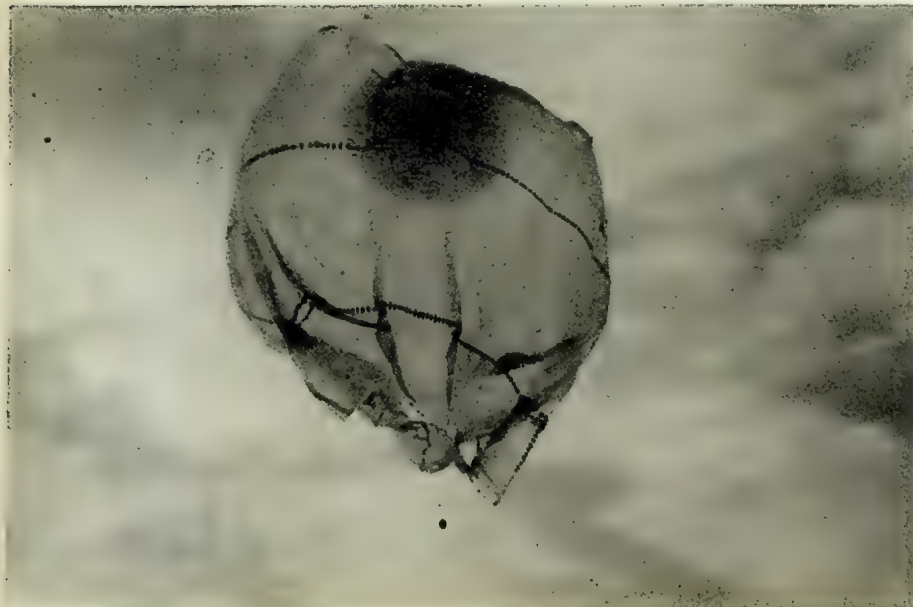

### Science Club

We, the executive board of directors of the science club, have recently, with the assistance of its members, made many breakthroughs for the benefit of mankind.

Our initial development was in the field of solar cell technology. This project's system manager, Odd Brest, researched the project in quite severe detail. The program was temporarily delayed as the more pressing cancer cure project was introduced. We made great advancements in this field and it was excellent in repelling lab assistants, but the organism finally grew with protruding limbs and mutated as it oozed away, but we were able to destroy it with a mild home made Na bomb, resulting in the development of weapons technology as a by-product. In December, we complete a 60' high balloon, which accidentally flew 2 miles over the city when the rope broke.

We must thank Mr. Klimiuk and Mr. Lantz, as their cooperation was greatly appreciated and also their advice was of great help.

### Fifty Per Cent Chance

Two scrolls,  
One withered with age  
The other buried under a hill of dust,

Dim light filter through the weathered shutters,  
Veiling the stark age of the decrepit room.  
The door creaks open painfully, slowly,  
Its warped hinges protesting.  
A person enters with great caution,  
Afraid of shattering the ancient silence.

He approaches the desk reverently,  
His eyes caressing the patriarchial scrolls,  
Coveting their parchment fragility.  
But only one is allowed to be removed from its sanctuary of centuries.  
Hesitantly, he lowers his hand,  
First running a finger across its velvety grain.  
He can control his lust for it no longer,  
The scroll withered with age is grasped possessively  
Yet with the utmost care.

But in defiance of the act  
The scroll reduces itself to dust,  
Refusing to be parted  
From its companion of centuries.  
Almost in a murmur of agreement,  
The second scroll falls to dust  
Uniting forever with its partner

Sunday

If I could write for you a song,  
could I say all I want  
without it coming out wrong?

If I could paint you this morning,  
your eyes would be the color of forests  
and hair dark as night.  
But could the brush catch your smile shining  
or how your eyes change in the light?

Anyway, I never was a writer.  
And with a closet full of sketches,  
my art isn't much better.

So my feelings I'll have to hide,  
till there's found the words that hold  
and the colors that show  
everything that's still inside.

Across a Crowded Room  
I see you all  
and in each one  
    a tear  
        rolls slowly down  
your cheek  
  
searching  
    searching endlessly  
    for a place  
to hide  
hoping to go  
    unnoticed  
    unseen  
  
and why  
why must it be disguised  
    only to saunter by  
    nonchantly  
  
only to be discovered  
    through endless searching  
  
as hapiness  
or love  
a plastic raindrop  
  
falling into  
    an endless pit  
    of sorrow  
  
meets me  
    face to face  
  
creating an endless flood  
    of tears

## FROSH

Frosh started this year off with a bang! First of all, there was a three-legged race originating in the rotunda. The individual king and queen candidates (nominated from every Grade X class) met in the rotunda and were given a list of items to collect from several classrooms; they were then tied together.

The second activity was the fashion show. Every king contestant was assigned a number and given an outfit to model, designed by the queen candidate and her class. The queens commented on the outfits as they were being modeled. The judges were Mr. Retallack, Mr. Lantz, Mr. Gaelick, Mrs. Dmytryshyn, and Catherine Ayers.

Thursday was the houseleague Great Race. Contestants were tied together at the ankles and given an obstacle course to run through. A Class Race Day was held on Friday. This event was made up of several races in which the king and queen contestants had to enlist the support of their classes. The activities included a wheelbarrow, spiderwalk and relay races.

The Frosh activities were concluded by the dance with Jayson Hoover Friday night. The dance was a huge success and Terry Shimbashi and Greg Harris were crowned Frosh King and Queen of 1974.

## FOOTBALL QUEEN

The annual football soc-hop was held in the gymnasium with guest George McGowan of the Edmonton Eskimos. The football queen is crowned on the basis of attendance of her house. This year's queen was Lori Worbets, with 28% attendance from Red house.

#### NO TALK DAY

During this day, each girl was given a ticket and if any guy could make her talk to him, he would win her ticket. The guy winning the most tickets, Kelly Scott, was crowned "Hustler of the Year."

#### HARRY AINLAY BARBECUE

HAB was held on October 4. For a minimal price of \$3.00, students enjoyed hamburgers, beans, salad, cheese, and apple pie. Proceeds went towards the weight machine. HAB was preceded by a special pep rally for the Jr. and Sr. football and volleyball teams. Guest speakers were Dave Fennell of the Edmonton Eskimos and Carol Frazer of the CBC. The spirit rally was highlighted by the appearance of Ainlay's own beautiful (?) Broad Squad -- Vic Henning, Phil May, Glen Irvine, and Skip Kerr. Following the pep rally, the S.U. Exec and a group of teachers challenged the Jr. football team to a game of flag football. Due to faulty refereeing, the Exec and teachers lost by a mere 7 - 0.

## SADIE HAWKINS DAY

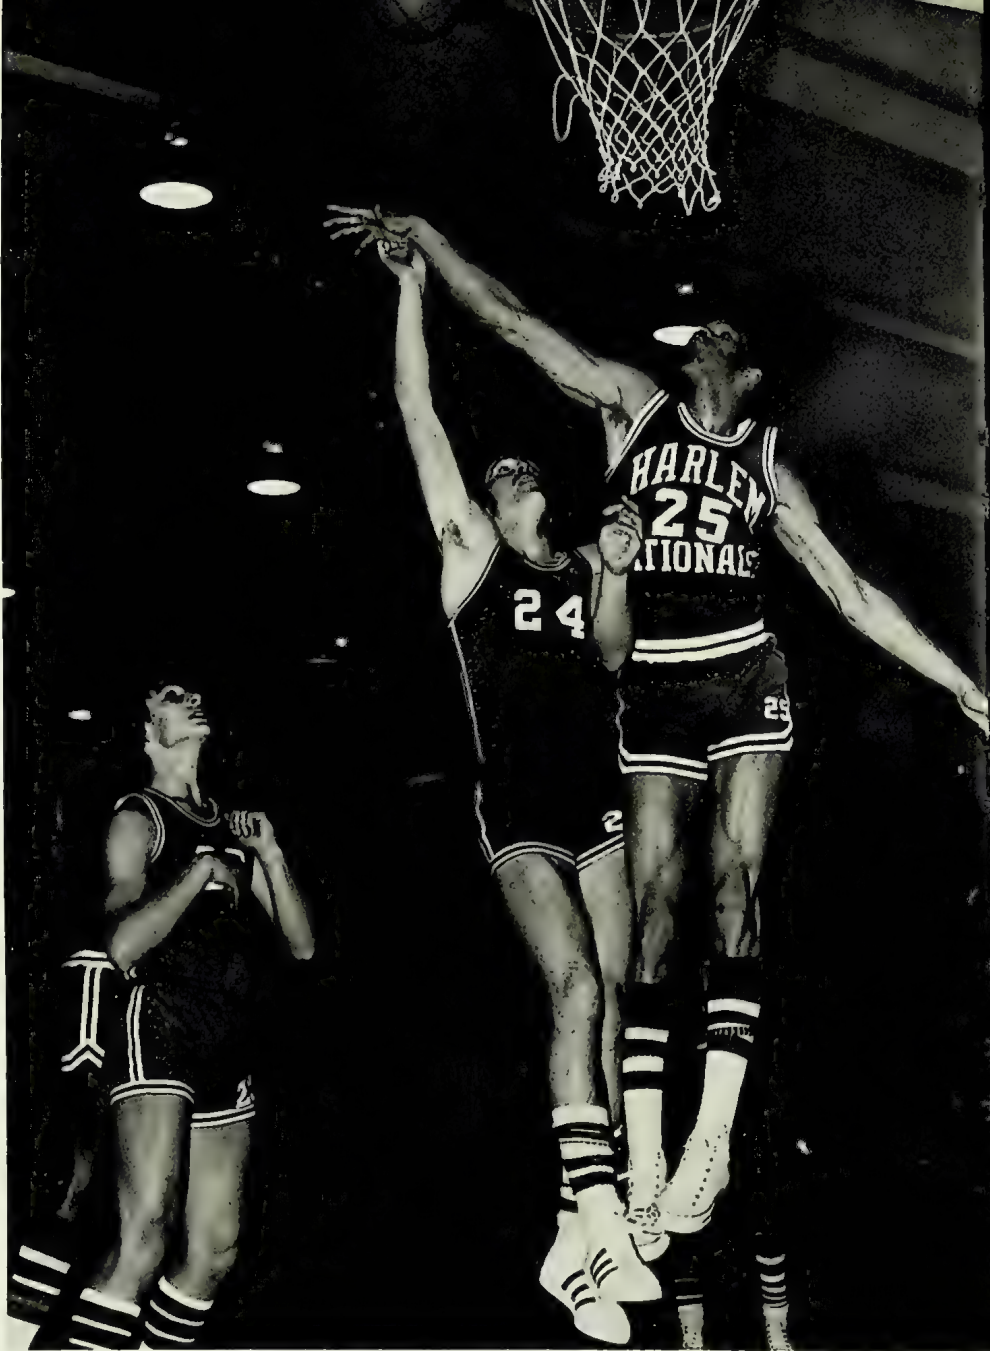

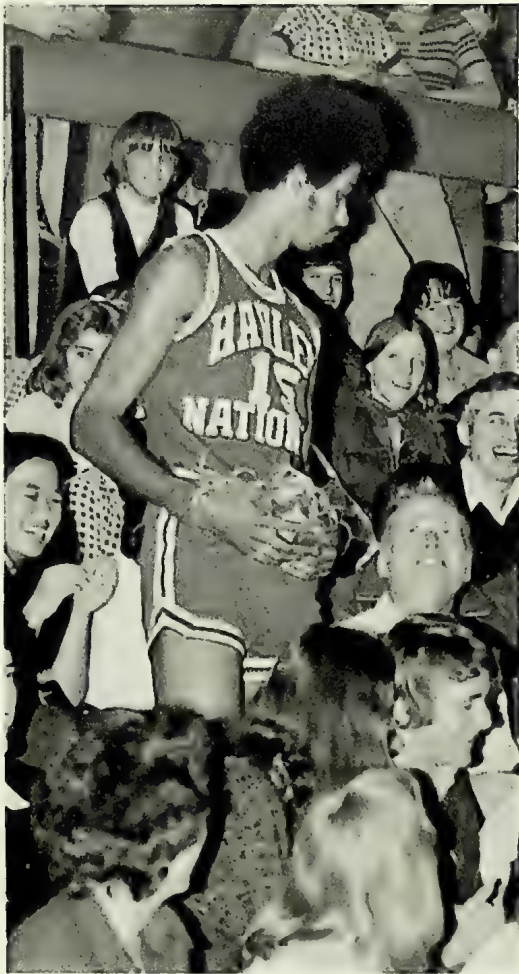

This year, it was held on the 25th of October. During the lead up, on the 24th, contestants for L'il Abner and Daisy Mae competed in fashion shows and hog or chicken calling contests. On Sadie Hawkins Day, they also competed in a pie eating event. Kick-a-poo joy juice was brewed in the rotunda and a contest was opened to everyone. Marryin' Sam was present for the latter half of the noon hour for those who wished to be married. Hay was brought in to decorate the rotunda and by the end of the noon hour, was decorating the school. Sadie Hawkins was topped off by the dance Friday night with Aerial. Daisy Mae was Pam Anderson and Steve Rosborough was L'il Abner.

Storm

Soft hushed air  
dances  
between leaves and branches  
and plays  
along the riverbank.  
Now it is gentle, but soon  
it will rage  
With deepening anger,  
Tearing branches from  
former playmates,  
Cutting like ice into  
the back.  
And then  
As suddenly as before  
it changes  
and smoothes each  
leaf with velvet breath  
Forever a friend,  
until tomorrow's storm.

Susan Arnison

Knowing You

Knowing you

is like

greeting a faithful dog that meets you every day

like

watching the clouds drift past the blue sky

it's like

waiting for someone you've never seen

but are sure to recognize

like

waking up and knowing that it's going to be  
a good day

## Grad President's Message

We have waited a long time for our grad, and it was worth it. Dancing lessons finally became understood. Formal attire was gingerly dragged from the closet and to our surprise the change was not only pleasant but astonishing.

Both the commencement and the banquet were well attended, this, and the fact that we had both excellent speakers and entertainment made the evenings most enjoyable.

This year's grad theme was "Friends" and we all realized at this time, more than any other, the true meaning. The class gift was a goblet with an inscription from "We May Never Pass This Way Again", to be used on such future school occasions as grad.

I have truly enjoyed being involved with the 1974 - 75 Grad activities and on behalf of the council I would like to thank the students, teachers, and administration for making Grad possible. I would also like to wish you the best of Luck in the future with the hope that you succeed in reaching your goals.

In the future, when you reflect on your high school years at Ainlay, I hope that you will truly think of them as priceless.

See you all in five years at the class reunion!

We May Never Pass This Way Again

Life -- so they say  
Is but a game and they let it slip away  
Love -- like the autumn sun  
Should be dying but it's only just begun  
Like the twilight in the road up ahead  
They don't see just where we're goin'  
And all the secrets in the universe  
Whisper in our ears and the years will come and go  
And take us up -- always up  
We may never pass this way again

Dreams -- so they say  
Are for the fools and they let them drift away  
Peace -- like the silent dove  
Should be flyin' but it's only just begun  
Like Columbus in the olden days  
We must gather in our courage  
Sail our ships out on the open sea  
Castaway our fears and the years will come and go  
And take us up -- always up  
We may never pass this way again

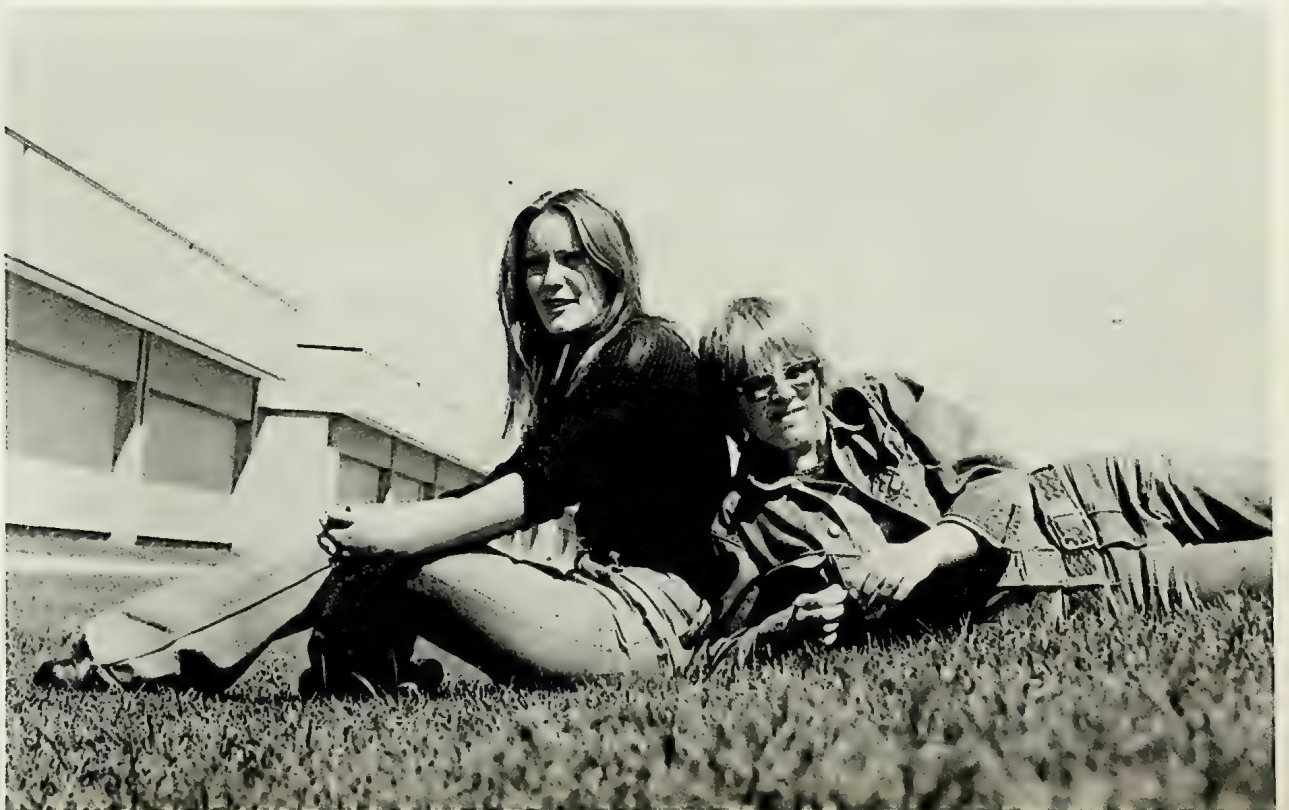

### Friends

I hope the day will be a lighter highway  
For friends are found on every road  
Can you ever think of any better way  
For the lost and weary traveller to go?

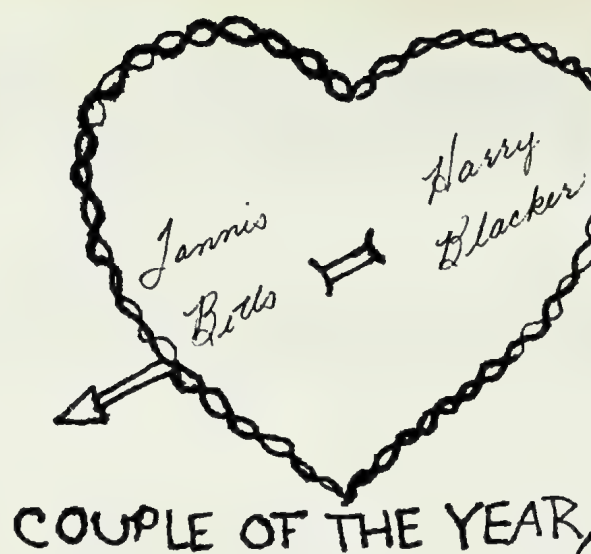

Makin' friends  
For the world to see  
Let the people know  
You got what you need.  
With a friend at hand  
You can see the light  
If your friends are there,  
Everything's alright.

It seems to me a crime that we should age  
These fragile times should never slip us by  
It's a thing you never can or will erase  
As friends together watch their childhood fly.

Here I am, with the yearbook complete (well, nearly) and twelve years of schooling behind me. As I look at the chaos that surrounds me, I get an immense feeling of relief -- it's finally finished! If any of you have the right name beside your picture, consider yourself one of the chosen few. And sorry about some of those Grad blurbs -- a lot of them had to be edited because they were a little long. Hey, I can't start apologizing now, otherwise I'll be here until next year.

But some well deserved thank you's are in order. To Donna Smith, who did a tremendous amount of work and made my task of being editor so much easier. To the Industrial Arts Visual Communications 20 - 30 class, thanks are due for some of the excellent candid photographs. To Ted and my brother, both of whom helped me with the many dull jobs, like layouts. And last, but certainly not least, thanks to Mr. "P" for keeping after me all year long and for being a terrific friend.

In closing, I just want to say, I hope you like the book and it really was put together by people who love Ainlay.
